

Capt. A. E. Smith has announced his candidacy for Justice of the Peace of Edray District. Capt. Smith has been for many years one of the best known citizens of Marlinton, served three years as Mayor of the town and was an efficient officer, executing the law without fear of favor and will command a good big vote in the primary on June 4th.

### Sharp for Prosecuting Attorney.

In another column of this paper will be found the announcement of H. H. Sharp for Prosecuting Attorney of Pocahontas county. Mr. Sharp will need but little introduction to the people of Pocahontas county, he being born and raised in the vicinity of Frost and has spent his entire life in the county, except what time he has been absent attending school.

We know of no one better qualified for the office to which he aspires than Summers being a good criminal lawyer, honest and above all sincere, three requisites that constitutes a lawyer and a man.

Mr. Sharp received his law education at the University of Michigan, which is recognized as one of the best law schools in the country. In commanding the candidacy of Mr. Sharp to the voters of this county, in the event of his election, we bespeak for him an honest, fearless and economical administration in the conduct of his office as Prosecuting Attorney.

At the July the frequency increases its maximum, one hour, on August 10. The entire year is twenty-four hours.

## Ellis Moore Chosen as Deputy.

L. S. Cochran, candidate for sheriff of Pocahontas county, has chosen as his running mate and deputy in event of election Ellis Moore, of Dunmore, Greenbank District. Mr. Moore was born and raised in Pocahontas county has a good education and will make a good deputy sheriff. He is well known throughout the country as a straight-forward business man and a successful farmer, having recently purchased the E. N. Moore farm near Dunmore. By the way this is a \$16000 farm in Pocahontas county on which he expects to reside after his four years as deputy sheriff. Some people can find good land in Greenbank District to cultivate and the people just as congenial as in other parts of the county or in Randolph and Mr. Moore evidently expects to invest his money in a community which has given him support rather than to seek other more propitious climes.

Republicans should not forget at their primary on the 4th to vote for one of the candidate for Justice of peace located in the Western half of the district. Mr. G. S. Weiford is a candidate for re-election from that section while the three running in Marlinton are the candidates to succeed Mr. G.
